

Call for Posters, Exhibition Stands and Publication Displays

Over the years, the poster display and competition has formed an integral part of networking and best practice sharing and learning at SPPC Annual Conferences. This year, we are once again organising a poster display and competition at the conference. Are you involved in an interesting project or in an area of work that you would like to discuss with or show to other conference attendees? Why not present your work in the poster exhibition. With 40+ poster exhibits at our 2024 conference, you are invited to make the most of this very worthwhile networking opportunity this year.

Delegates attending this year's Annual Conference will have the opportunity to vote for their favourite poster at the event, where the winner will be invited to give a brief 5-minute presentation on their poster and be presented with the prestigious **Derek Doyle Poster Prize Trophy 2025**.

Also this year there will be an opportunity to exhibit at this event. The exhibitor area at the conference provides generous space for exhibitions and displays with easy access to the catering area, seating, posters and breakout rooms.

If you are at all interested in presenting a poster or bringing along your display stands, please contact Pauline Ellison for a proposal form for completion.

Pauline@palliativecarescotland.org.uk

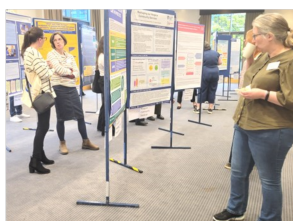

Please note that the closing date for submission of applications for poster proposals or exhibitions is **Monday 29 September 2025**.

Please also note that all those attending in any capacity to present a poster/ set up and exhibit must register as a conference delegate and pay the appropriate delegate fee. Other than the delegate fee, no charge will be made to you for presenting your poster or to Member Organisations who are exhibiting at the conference.

Scottish Partnership for Palliative Care Annual Conference 2025: *Wednesday 12 November 2025*

*John McIntyre Conference Centre
The University of Edinburgh
Pollock Halls
18 Holyrood Park Road
